

G3 Italian Unit: La famiglia e le relazioni

Unit Purpose

Students explore family roles, friendship, and classroom community through short Italian texts, visual prompts, and spoken routines. The unit is designed to target A2 listening and speaking while keeping written production scaffolded.

Key Vocabulary

famiglia, amico, compagna, rispetto, aiutare, ascoltare, raccontare, ieri, oggi, domani.

Learning Experiences

Students match images to short descriptions, interview a partner using sentence frames, and create a short oral presentation about a fictional family or classroom community. Personal sharing is optional; learners may use imagined examples.

Assessment Evidence

Evidence includes a teacher observation note, a paired speaking task, and a short written caption sequence.

CEFR Can-Do Table
